## Leisures

The first realization in France of the champion Gary Player, the Domaine de Taulane's par-72, 18-hole course offers a rich variety of problems and styles of play.

Diversity, a wide range of tee placements and difficulties adapted to both high and low handicaps combine here in a fascinating sequence – a neverending series of new images, rhythms and movements.

A sober but original design, a course that is accessible to all, whether it be for a relaxed round with friends, an individual exploit or a competition.

Thanks to the proximity with « les Gorges du Verdon », a large range of activities are possible :

- The Sports of white-water: Canyoning, Rafting, HydroSpeed, Canoe Kayak...
- The Aerial Sports: Parapente, Bi-Place, ULM...
- The climbing and the caving
- The Accrobranche and the Via Ferrata...
- Equestrian, pedestrian walks and bikes...
